

SR 520 Bridge Replacement and HOV Program

Medina to SR 202: Eastside Transit and HOV Project

Northup Way at 108th Avenue Northeast closed April 21

Three of four directions of Northup Way closed from 7:30 a.m. until 5:30 p.m.

The intersection of Northup Way and 108th Avenue Northeast will be closed this weekend as crews locate utilities. On Saturday, April 21, beginning at 7:30 a.m. and lasting 5:30 p.m., all but one direction of the Northup Way and 108th Avenue Northeast intersection will be detoured. The impacted routes along with their detours are described below:

1. Westbound SR 520 traffic exiting at 108th Avenue Northeast will turn left at 108th Avenue Northeast continuing south on 112th Avenue Northeast to 24th Street and turn right to Bellevue Way, and turn right again to reach Northup Way west of the 108th Avenue intersection. Drivers will take 112th Avenue south to 12th Street and turn left to 116th Avenue and then left again to reach Northup Way east of the intersection.
2. Eastbound Northup Way will still be able to turn right at 108th Avenue while this work is occurring.
3. Westbound Northup Way will turn left at 116th Avenue, go south to 12th Street, and turn right to 112th Avenue and turn right again to 24th Street, turn left to Bellevue Way and turn right to get back to Northup Way.
4. Southbound 108th Avenue will turn right at 38th Place, go to Lake Washington Boulevard and turn left to reach Northup Way.
5. Northbound 112th Avenue will turn left at 24th Street, go west to Bellevue Way and turn right to 38th Place and turn right to get back to 108th Avenue.

This work is part of the \$306 million SR 520 Eastside Transit and HOV Project that will improve safety, access and reliability in the corridor when complete in 2013.
