

## NOTICE: Traffic shift at Evergreen Point Road

In late February, crews will shift traffic from the existing Evergreen Point Road onto the new lid deck. This will be a temporary route as crews remove the existing Evergreen Point Road overpass and finish building the new lid. This shift will be in place until late 2012 when traffic is shifted into the final configuration across the lid.

This work is scheduled to occur mostly during daytime. However some nighttime work will be required, particularly during the weekend when the bridge is demolished. At that time, residents should expect to hear the sounds of concrete demolition, trucks, bulldozers, excavators, back up alarms and light generators.

### Mark your calendars for the upcoming full closures of SR 520:

- Friday, Feb. 24 - Monday, Feb. 27 - crews will set girders at 84th Avenue Northeast and Bellevue Way Northeast.
- Friday, Mar. 9 - Monday, Mar. 12 (TBD) - crews will demolish the Evergreen Point Road bridge.

The Eastside Transit and HOV Project will complete and improve the 8.8-mile HOV system from Evergreen Point Road in Medina to the SR 202 interchange. The improved six-lane corridor will include two general-purpose lanes and one transit/HOV lane in each direction.

**Key features include:**

- An inside transit/HOV lane through the entire Eastside corridor.
- Cleaner, nicer median transit stops at Evergreen Point Road and 92nd Avenue Northeast that are ADA accessible.
- Wider, safer shoulders.
- Direct-access ramps to 108th Avenue Northeast for carpools and transit.
- A regional bicycle and pedestrian path.

Evergreen Point Road final configuration

**ADA Statement:** Materials can be provided in alternative formats: large print, Braille, cassette tape, or on computer disk for people with disabilities by calling the Office of Equal Opportunity (OEO) at 360-705-7097. Persons who are deaf or hard of hearing may contact OEO through the Washington Relay Service at 7-1-1.

**Title VI Information:** WSDOT ensures full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from its federally assisted programs and activities. For questions regarding WSDOT's Title VI Program, you may contact the Department's Title VI Coordinator at 360-705-7089.
