Instructor

- Dr. Ronald Gibbons, Virginia Tech Transportation Institute
- Paul Lutkevich, Parsons Brinckerhoff
- Don McLean, DMD and Associates

Target Audience

Course Description

This course is designed to learn about roadway lighting design and the requirements in the new FHWA Roadway Lighting Handbook.

Agenda

- The Impact of New Solid State LED Lighting technology
- Lighting Design Standards from the FHWA, AASHTO and the IES
- Warranting and the Impact of Lighting on Roadway Safety
- New Innovative approaches to roadway Lighting Design

Registration

Please register on-line using this link: [LTAP Online Registration](#)

In order to maximize the number of partners attending the workshop only two employees per agency will be allowed to register. If you are unable to attend, someone else from your agency may attend in your place. Carpooling encouraged to maximize parking options.

When you arrive at the building, register at the reception desk and proceed to the Large Commission Boardroom to the left of the reception area.

Washington State
Department of Transportation

Parking and bus information for the State Capitol Campus: See attached map for parking and bus information. The closest parking is at a state capitol visitor parking lot on the corner of Jefferson St. SE and Maple Park Ave. The cost is \$1.50 per hour. The state capitol parking lots take credit cards, dollars, and change. For more information, please visit <http://www.des.wa.gov/services/Travel/Parking/Pages/ParkVisitor.aspx> or call 360-725-0030.
