SR 520 construction update: July 2015

Floating Bridge and Landings construction activities

Washington State Department of Transportation Secretary, Lynn Peterson walks down the maintenance deck of the new SR 520 bridge with SR 520 Program Administrator, Julie Meredith and SR 520 Floating Bridge and Landings Bridge Engineer, Greg Meadows, before visiting the inside of a pontoon. Photo taken: July 24.

A crew member on Lake Washington ties rebar on a low-rise deck column in preparation for concrete pouring. Photo taken: July 8.

West Approach Bridge North construction activities

A view of the deck of the new westbound SR 520 off-ramp to Montlake Boulevard from the R.H. Thomson "Ramps to Nowhere." Photo taken: July 16.

Crews pave the new westbound lane on East Lake Washington Boulevard between 24th Avenue East and Montlake Boulevard during the July 18 – 19 weekend closure. Photo taken: July 19.

Crews hand tie rebar cages before they are installed in casings on Lake Washington and in Union Bay. The rebar cages reinforce casings before the concrete is poured to create the permanent foundation of the WABN structure. Photo taken: July 8.

Crews pour and smooth out concrete on the new westbound SR 520 freeway transit stop path. The new path will be Americans with Disabilities Act (ADA) accessible and have both a ramp and stairs to the westbound SR 520 freeway transit stop. Photo taken: July 8.
