Free to Washington State Agencies and Consultants Inspecting Bridges in Washington
All Others \$150* (See registration below)

Target Audience and Course Objectives

This training is intended to provide engineering or design technicians and other personnel, who have little or no background in bridges, a basic knowledge of bridges and bridge inspection skills. Graduate engineers or engineering technicians with bridge experience need not attend.

Course Description

This 3-day training is intended to provide participants with a basic knowledge of bridges and bridge inspection skills. This training will focus on introducing Bridge Mechanics, the local agency and federal bridge inspection manuals, and aspects of bridge inspection and reporting.

Materials

Participants need to bring the following:

- Washington State Bridge Inspection Manual (2015 Update)**
- FHWA Bridge Inspector's Reference Manual (2012 Update) **
- Clipboard
- Calculator

**Please bring the latest revision of these manuals - electronic or hardcopy. These entire manuals and updates are available for download and printing at:

<http://www.wsdot.wa.gov/Publications/Manuals/M36-64.htm> (for the WSBIM)

<ftp://ftp.wsdot.wa.gov/public/LocalPrograms/Bridge/> (for the BIRM)

Washington State
Department of Transportation

Clothing: Please bring a hard hat, safety vest, boots, gloves, field clothes, and rain gear. You will spend one day in the field.

Instructor

Roman Peralta, WSDOT Local Agency Bridge Engineer.

On-line Registration

Please register using this link: [On-line Registration Form](#).

Fill in the requested information, select your class from the list, then press "Submit." When we process your request, a notification will be e-mailed from LTAPTraining@wsdot.wa.gov advising the status of your registration. If you do not receive this e-mail notification within a few days, you may not be registered and should contact us.

Confirmation e-mails will be mailed prior to the class. If you are unable to attend, someone else from your agency may attend in your place.

*Those responsible for a fee will be invoiced \$150 after the class, **please do not prepay**.

Questions

On course content, Roman Peralta, ph.360-705-7870 or email PeraltR@wsdot.wa.gov

All other questions about this training, for registration assistance or cancellations contact Lynn Noah NoahL@wsdot.wa.gov or ph.360-705-7809.

Disability accommodations provided upon request.
